WE'RE FOR AMERICA AMERICANS!

THE Philadelphia Press says it is interesting to note that in halloting for
Senator in Kentucky, Cuckoo McCheary
got one vote. This must be another Administration victory. THE Philadelphia Press says it is inministration victory. No intelligent person will doubt the

high moral plane upon which The New York Tribune is conducted; and yet it says the rigid Sunday Law in that city is as much a blow to morality as to lib erty. It has begotten the pernicious habit of evasion, and fostered disrespect of law and public authority. It is the primal cause of the "side-door policy," and the sneaking hypocriey of main taining a law upon the statute book while men eworn to execute the laws faithfully eystematically allow it to he violated. It cultivates the habit of lying and false pretense which is the besetting inlquity of our time, under-mining commercial honor, political in-tegrity and National good faith.

HON. JAMES A. HARRIS, Cautroller of the State Treasury of Tennessee, has announced his candidacy for the Guber natorial nomination of the Democratic party this year, in a long article setting forth his ideas about state government, among which are the following suggestions in regard to a new scheme of tax

"I am of the opinion that the happies and most equitable solution of the system and most equitable solution of the system of taxation, which is being so bitterly assailed by many people who are not familiar with this system, and who in uo instance offer anything better, is that release of laxation which will enable to comport the system of the system

THE Boston Transcript of Friday pub lishes a letter from a Bangor correspond ent giving an outline sketch of the po litical history of the

Malne Llquor Law "The Prohibitory Law has been the iaw of the state," he says, "for more

than fifty years; numerous amendments have been made to it, and a multitude more, invoking every form of punishment, except capital punishment, have been asked for and refused." Then the correspondent quotee from the remarks, iu 1883, at the State Temperauce Conven-tion, of Colonel William T. Eustis, who was the Prohibition candidate for Governor in 1882 and 1884. "He helieved that Prohibition in this state had been a failure, and that intemperance was on the increase in every town in the state."

So, as late as October 9th last, the Hon Next Down forther helical Company of the state.

Hon. NEAL Dow, father the Maine Law. wrote to The Boston Transcript: "The law is not now enforced in Portiand ex-cept in a sham way." Mr. Dow curi-ously proceeds to say that "Not one-hundreth part so much liquor is sold in Port-land" as before the adoption of Prohibi-tion. Which leads the correspondent to say that "Portland must have been a very drunken city from 1846 to 1852."

Our information has been for several Our information has been for several years and is to-day, says The Commercial Gazetic, that ne one, not even the stranger within the gatea, has difficulty in finding z saloon in such places se Portland, Bangor, Bath, Ellsworth or Machina, or coven in the smaller towns. The complishin has been not that liquor was net to be bad, but that prices were very high and quality very poor. Only last summer there was a movement to rid Bar Harbor of its saloons.

John Wanamaker Says: -

"I do the heaviest advertising in duil times.
"Then it is when people look more keenly for bargains and are anxious to know what things cest, and where they can save money. I advertles particular things, give prices, and take as much paines with my announcement as I do with my stock. One big dinner wont keep up the reputation of the big hones—but steady, good cooking does it. I never permit laterest in my announcements to lag, and never miss an issue in my chosen publications. Advertising has made my store one of the largest in the country."
